

END HIV/STI OREGON

# Free HIV and syphilis testing

[STDcheck.com](https://stdcheck.com) offers free HIV and syphilis testing to anyone 18 years and older in Oregon.

Screening for other sexually transmitted infections, such as chlamydia and gonorrhea, is also available through [STDcheck.com](https://stdcheck.com) for a fee.

## Instructions

Please follow these steps to schedule your free HIV and/or syphilis testing:

- Visit [STDcheck.com](https://stdcheck.com) and use the “Find a Lab” button to find testing locations in your area. Oregon residents can use any lab locations that work best, even those in bordering states.
- Once you have selected a lab location, call 1-800-456-2323 and press 1 to request your free Oregon HIV and/or syphilis test.
- A representative will help you schedule your lab appointment at a time and location convenient for you.
- You will receive your test results electronically in 1-2 days. If you have a positive result, a clinician from [STDCheck.com](https://stdcheck.com) will also call to follow up with you, answer any questions you may have, and provide information on how to access treatment. You may also receive a follow-up call from your local health department.
